1. **Medicals:** Having good response. We are still forgetting to grab the flashlights when we get out of the trucks. Using them will help prevent injuries from stepping in holes or falling down.
2. **Structure Fire (mutual aid):** SCBA's , if you need it wear itdon't carry it. Everyone did a good job, Hawkins was very appreciative.
3. **Hawkins Chamber Banquet:** February 20th (or 27th) @ 6:00 (or 7:00) Chief will send out more info.
4. **Greg:** Apparel orders should be here in a couple of weeks. Also, when if you drive 842, pull the key ALL THE WAY OUT when you get back and shut it off. It is not off if the key does not pull out. If you take out another vehicle for a medical, remember to get the medical bag from the engine as well as the AED.
