

HOLLY LAKE VOLUNTEER FIRE DEPARTMENT
Regular Training Meeting Minutes
March 4, 2014

Members: 14

Guests: 1- Dana Turner (3rd meeting)

1. Everyone did a **great job the last few days** -- these kinds of calls are VERY dangerous just because of the kind of calls (weather related) they are. We were able to help everyone that needed it and got them places safely. Everyone that could make it here did and it is greatly appreciated.
2. **Use kitty litter or gravel on icy spots to help with traction**...hint: DO NOT use clay based kitty litter...it turns to mush and makes an awful mess on the floors.
3. **Refrigerator cards:** these can be used to put meds on. There are some on 842 to hand out on calls and we will start handing them out at bingo and at the waffle breakfast....
4. **Brush trucks/4wheel drive:** We drive w/o the wheels locked normally, except when there is ice then leave it in 4wd...when using the winch, be sure and guide the line back in and move it back and forth so it doesn't bunch up and snag. We need to check it now since it has been used so much to make sure it is in good working order.
5. **Golf Tournament:** Solicitation letters are in your box, please pick them up if you have not already done so. Remember to do your back up calls, IF you cannot do them get them to Tray or Freida(ASAP) and they will do it for you
But PLEASE try to do your own. We also have posters in the admin. Office, take a couple and put them in a business on your list if they will allow you to. We should have the raffle tickets in a couple of weeks.
6. **Travis:** If you spend fire department money, give Travis a piece of paper to let him know.
7. **Don W.** We are not pushing our buttons down on our radios all the way so, therefore, we are cutting ourselves off and not transmitting all of our conversation. Speak slowly, clearly and distinctly into your radio.
