1. **Changes** that have been made in the department: there are no longer Lieutenants
 - Paul Liuzza** is now Captain of suppression
 - Bill Bollinger** is now Captain of water supply
 - Freida Jones** is the Quartermaster
 - Al Murfin** is the PIO (Public Information Officer)

2. **Golf Tournament:** Sponsorships are coming in pretty well. We have 2 weeks to follow up with the sponsors that have not come in yet.
CONCERN: Raffle ticket sales: 301 sold to date, we are \$1000 short of covering our expense.
Signs need to be sent to the sign people. Tray and his crew are doing a good job
Dawn needs help selling raffle tickets at Brookshires, the dates for this is April 11th (4 to 7) and 12th (9 to 4). Get with her to set up your time to work.

3. **Notification of Wood Co.:** If you notify them from home or on your way to the station PLEASE let someone know so they are not notified again.

4. **842:** We are trying to replace it with a vehicle something like the new Command vehicle. Bill and Greg are on the lookout for one.

5. **Tenders (tankers):** The E-1 guy was here all day the last 2 days fixing things that are wrong with them. He fixed the water level lights, and **remember: the empty light stays off until the water level goes down and when it comes on YOU ARE EMPTY SO SHUT IT DOWN!!!!!!**
Try to **remember to shut down @ ¼ tank.**
Both tenders are in service now.

6. **Al:** Got new air tanks for the cascade system and 843. We can now fill the 3 empty bottles that need filling.

7. **Don W.:** We need to remember to do Par checks on our scenes.

8. We have **new helmet lights for the brush helmets**, everyone will get one...if you did not get one at the meeting, get with Freida for it. Everyone will also get a new raincoat when they come in. They are ordered.
