- 1) **Directions:** Be sure to check your maps... in the bays and/or in the trucks. Be sure you know where you are going there are streets that sound alike so make sure you know which one you are going to. Need new maps in the barn.
- 2) **Air bottles on 845:** There were 2 bottles (on the packs) that were ½ empty...please sure they are ALL full. We cannot go into a fire with ½ bottles of air.
- 3) **Dry Hydrants:** The hydrants on Greenbriar are defunct (not in working order) and the one across the pond is broken. The closest water source will be either the Goose Pond or Holly Lake until the spring.
- 4) **Friday night:** We will use 847 to pull a “Sleigh” over at the 19th Hole activity. It is sort of like a hay ride. We need to be @ maintenance @4:00 pm to “hook up”. Let Chief know if you would like to attend.
- 5) **EMS:** Would like to have a 1st Responders Dinner for ALL 1st Responders here. More info to come.
- 6) **Pipeline Class:** January 7th @11:00(ish) in Sulphur Springs. Let Chief know if you want to attend.
- 7) **Bill:** Asked for a vote on buying new Bingo equipment. New permanent bingo machine and 2 flash boards. To be attached to the walls. Questions were asked and answered...motion made, seconded and carried. Bill is also stepping down as Bingo chairman and Travis will be stepping in.
- 8) **Annual Report** on the HLVFD is available for pick up.
- 9) **Award Nominations** were held...Joe will continue to be Chief, Bill and Al will remain on the Board of Directors. Other awardees will be revealed in February at the awards dinner.

A note from the Chief:

I would like to take a minute to say a big Thank You!!” to everyone for your hard work and dedication this year. We have had some come and go and we have been short-handed but you have continued to come when you can and to always give it your best. Thank you for everything.
