- 1) **Speeding:** Security is cracking down; be sure to put your flashers on and keep your speed at a minimum when answering calls. Be safe and remember the rules.
- 2) **Night calls:** People are not responding. We are not open 8-4; need to respond to the night calls if at all possible.
- 3) **Travis:** Expenditures of \$2500 or more have to be approved by the membership.
 - 847 needed a pump motor replaced — cost: \$2754. Motion was made and seconded to fix it.
 - 845 needs the fan belt replaced; we will move the rescue tools to 846 until it is fixed.**Note from Chief:** checking the belts is part of the truck check. Be careful with the equipment.
- 4) If you have not paid for **your apparel** that was handed out a month or so ago, give your money to Travis as soon as you can. Thank you.
- 5) March 15: **Advanced Storm Watch School** in Quitman at the Library. It is a good class to take. It is 4 hours. It is open to the public.
- 6) April 22: **Ag Rescue class** in Bettie. This is a good class. It covers scenarios that we may encounter. Everyone needs to take this class at least once.
- 7) April 28: **Rescue/Disaster Drill in Quitman.** Chief will get more information.
- 8) **EMS Memberships:** Please complete the paperwork and place it in Bill's box so he can send it in.
- 9) **Golf Tournament** stuff is in your box. Get it and start working on your solicitations and selling your tickets. This is all a part of being on the Fire Department, if you cannot do it, give your tickets and solicitations back to Trey and Dawn.
- 10) Dawn: **Raffle tickets** — to date, we have sold 169 tickets for a total of \$590. Be sure to circle how you sold them i.e. 1, 6, or 30 (at the bottom of the ticket stub).
- 11) Al: The following gifts are committed for the **Golf Tournament:**
 - Golf Cart (hole in one)
 - Cadillac (hole in one)
