

Holly Lake Volunteer Fire Department

Regular Training Meeting Minutes May 2, 2017

Members: 14
Guests: 0

- 1) **Speeding:** Slow down some — 842. If it is not a DIRE emergency, then slow down.
- 2) **HLR Security:** Keep in mind that the officers **MUST** have their body cams on at **ALL** times, so be **VERY** careful about what you say on scene.
- 3) **Helicopter insurance:** There **MUST** be copies of **ALL** insurance cards for each person that is to be covered. Get these to Bill ASAP.
- 4) **Chief — FM 2869 Fire:** The bickering is out of control and over BS. Do not yell or scream at each other. If you see someone doing something wrong or unsafe, inform the truck officer or the IC. **STOP ARGUING AND FIGHTING.**
If you do not want to be on the Department, then resign. We all **MUST** work together.
Suppression people: if you do not make it on the engine, then get on another truck and transfer when you get on scene. Someone who is not suppression can transfer to the truck you came out on.
- 5) Don Lippke: In the future, **if a firefighter appears to be in distress, EMS WILL BE CALLED.** It does not matter who it is.
- 6) Bill: Remember that the **person that is the MOST responsible for you on scene** is **YOURSELF.** You know your body and you know your medical history, so **KNOW YOUR LIMITATIONS.** Watch out for each other.
- 7) **Chief:** It was not a critical fire, but it was a fire and people get hurt. 90% of firefighters that get hurt get hurt during small stuff (overhaul, traffic control).
All firefighters are to help clean up at the scene.
Everyone is tired, and we need to help each other and make sure that **EVERY** truck is ready for the next call **BEFORE** you leave the station.
Everyone did a great job.
- 8) We had a **busy weekend**, and we had a good turnout for all of it. Several of you have jobs and other things going on — continue to show up as you can.
- 9) Paul: **HYDRATE, HYDRATE, HYDRATE.** Start drinking water when you get up; do not wait until you are on scene.
- 10) Dawn: **Thank you letters** from the Golf Tournament will be in your boxes shortly. Please get them, sign them, and either deliver them or return for correction.

Tonight's Training: Due to technical difficulties, training was postponed
