- 1) **Speeding:** No complaints.
- 2) **A&M Fire School:** See Chief if you want to go. Deadline is Friday, June 9.
- 3) **Saturday Training:** There will be training on Saturday, June 24 at 8:00 am.
- 4) **Radio Reports:** Learn how to do them correctly if you are going to be the radio operator. They are legal documents and are subject to be used in a court of law –they must be correct.
- 5) **Don W:** When **responding to calls**, make sure you report to 800 when you get on scene and indicate who else is on scene (i.e., EMS, Security, WCSO, etc.). Do the same when are leaving the scene.
- 6) **Chief:** Appreciates the way everyone handled our golf tournament.
- 7) **Golf Tournament (Al):**
  - Asked for a budget of \$6,850; we actually used \$6,557.62. Thank you to everyone who helped, but an even bigger thank you to those who worked extra hard: Cheryl and Dawn (for all the computer time), Tray, Doug, Pepper, and Aaron (for staying late and picking up signs until 10:00 pm).
  - We lost a cooler that belonged to the WGA; we will replace it.
  - The biggest problem we had was alcohol in the Hall. This is a major visible event and whether we are in uniform or not, the public sees us and we need to act professional.  
**Suggestion:** Make signs that say: “No alcohol or Tobacco allowed in the Hall”
  - During the Awards Dinner, we had a call, and there was a disruption with radio and transmission.  
**Suggestion:** If you are involved with a call, please go outside to minimize the disruption.
  - Wagner Cadillac has been a Hole-in-One Sponsor for a long time. They wanted a list of names of everyone that received the voucher cards. Keith sent them a list but it was not exactly what they unwanted.  
**Suggestion:** Have a separate person hand out the cards and keep track of who gets them.
  - Al needs a players list.
- 8) **Vern:** Please see him after the meeting to explore the **new master switch on 843**.
- 9) **Al:** When **taking something off a truck** (wither it is 843 or a Tanker or an Engine or 842), put it back where you got it so it can be found easily the next time. Remember to put stuff back in the medical bag in the exact spot. It is embarrassing for us to rummage around looking for things.

**Tonight's Training:** *To Hell and Back* (Paul Liuzza, Instructor)
