

Holly Lake Volunteer Fire Department

Regular Training Meeting Minutes June 20, 2017

Members: 18
Guests: 0

- 1) **Speeding:** Have had a couple of complaints (again). SLOW DOWN.
- 2) **PPE:** We are all getting lax on wearing our PPE. There is a reason we wear it (for our safety). If you ride out on the Engine (either one of them), wear your bunker gear. If you don't have bunker gear, then don't get in the engines.
- 3) **MVC Critique (Hawkins scene):** Everyone did a great job. The IC MUST have control of the scene, delegate things that need to be done to others on scene. Stand back where you can see everything going on so that he/she knows what needs to be done.
 - If you are an officer, BE AN OFFICER.
 - If you are the IC, BE IN CONTROL.
- 4) **Building Signs (Bill):** The Board of Directors has been considering replacing/repairing the building signs. After receiving a couple of bids, they have decided to go with Leon's Signs, who will do the following:
 - Replace and get rid of the old sign.
 - Install LED light in the new sign
 - Install a solar panel for lighting up the sign.
 - All labor is included.

Total cost: \$3,233.44

Motion made to replace the sign: Don Lippke
Motion seconded: Doug Attaway
Membership voted and the **motion passed**.

- 5) **Renewing Accident/Sickness Policy (Bill):** 2/3 of the cost will be reimbursed by the Forestry Service

Total cost: \$6,217.00 (we will pay 1/3 of this amount)

Motion made to renew the policy: Don Wolford
Motion seconded: Doug Attaway
Membership voted and the **motion passed**.

- 6) **New Structure Gear:** Decided to go with CASCO. Included pants, coat, and suspenders. Buying nine sets. 90% reimbursed up to \$15,000.

Total cost: \$17,388.00 (we will pay 10%)

Motion made to purchase new gear: Doug Attaway
 Motion seconded: Don Wolford
 Membership voted and the **motion passed**.

Note: When new gear arrives, those that did not get new gear can trade up to what is turned in from the old gear.

- 7) **New Lights:** New lights were purchased for everyone. It can go on your helmet or your coat. If you lose it, you be responsible for replacing it. The cost is \$80.00
- 8) **Mutual Aid with Hawkins VFD (Paul):** Everyone did a good job, hope you learned something about operations.
- 9) **Responding to Call (Joe):** Everyone is responding well. Summer is here, people are out of town, we are all busy. Respond if you can.
- 10) **Facebook (Joe):** Stay off Facebook when it comes to department stuff.
- 11) **Red Team (Al):** We have enough people on the roster to build a Red Team. This will be discussed in more detail later.
- 12) **Courage to be Safe:** This is a REQUIREMENT. If you have not had the class, you need to complete it ASAP.
- 13) **Al:** When **taking something off a truck** (wither it is 843 or a Tanker or an Engine or 842), put it back where you got it so it can be found easily the next time. Remember to put stuff back in the medical bag in the exact spot. It is embarrassing for us to rummage around looking for things.
- 14) **Gatorade from Brookshire's:** We received 750 bottle of Gatorade from bagging grocers at Brookshire's on Saturday. Great job to those that participated.
