- 1) **Answering calls:** Most everyone is doing a great job of making calls when they can. There are a few that are not showing up at all. All we ask is that you make an effort. If you cannot answer calls or do the training, then we cannot use you.
- 2) **Speeding:** Bear in mind that people do not look out for us and they do not have pull over for our lights and sirens. Don't tailgate them or speed around them.
- 3) **Bill:**
 - a) **New Comm Shack-** Spoke to the architect 2 weeks ago, he has the second set of drawings are ready for our approval.
 - b) **Trees-** The big oak tree and the big tree by the Comm Shack will be coming down next week. The drive may be blocked, please bear this in mind when coming to the station.
BE CAREFUL.
- 4) **Chief: DOD Truck-** The truck has been reclassified by the government, and now they need to do a background check on the Chief of any department receiving a truck. This will hold up the truck for an additional 90 days. We will have to wait and see what else may change and then we will determine whether we take delivery of the truck or not.
- 5) **Cheryl:** Please fill up **842** when it is in need of fuel, and let her know if you use any medical supplies from any of the trucks so she can replenish them.
- 6) **Travis:** The **waffle breakfast** in July netted \$900.
- 7) **Freida: Ice Cream Social:** Freida will get further details ASAP.
