Meeting brought to order by Chief Joe Cirasola.

- 1) **Speeding: *Keep it down.*** Remember that we are NOT immune to the laws when we are not answering calls. Also, be aware that Security wears body cams and they are ALWAYS on. Be careful what you say and do. .
- 2) **Texas Eastman School:** October 7 – 9.
- 3) **Oil Festival:** October 14 in Hawkins. We will have the engine, a tanker and a brush truck with the Firefighter of the Year from last year. Let Chief know if you are going. We will leave the station at 9:30am.
- 4) **Henderson County School:** October 21. Let Chief know if you want to go.
- 5) **Fall Festival:** October 29 at Summit Heights at 5:00pm to 7:00pm.
- 6) **Trunk or Treat:** October 31 at Holly Hall.
- 7) **Run Reports:** Be sure you are filling these out CORRECTLY. These are LEGAL documents that can and will be called into Court. Too many mistakes are being made on them. ALL times should be Military time. Put the destination on the report, time arrived on scene and who else is there, patient age, name, gender, chief complaint, address(if different from address of call), phone number, action taken (ONLY BY US), departure time from scene, when you and EMS departed the Ranch and you are back at station. Be sure that you call in to let the radio person know about transport. If it is a Code Green, stand-bys may leave. If it is a fire, 843 needs to stand by in case something else is needed to be brought to the scene. We have had 468 calls to date: 360 of them are medical calls.

Tonight's Training: *Radio Report Procedures* by Don Wolford.
